April 2022

Dear Albert McMahon Families,

We hope everyone had a safe and relaxing Spring Break. We are happy to report that Albert McMahon students are back into the swing of things and are working diligently on their Term 3 schoolwork.

As we continue to maintain a safe school environment, parents/guardians and community members are reminded that the track and school playgrounds can be used before 8am and after 3pm. The school grounds remain a "closed campus" (students and staff only) from 8am-3pm on school days. Please keep in mind that your child's classmates and teacher may know you but not all students or staff will be aware of who you are. Caregivers, if you are intending on picking up your child from school during a recess or lunch break, please inform our office and wait for your child in the front foyer area or outside our main entrance. *Please do not go onto our playground/field areas to retrieve your child, as this can be quite confusing for our outside supervisors.*

Finally, as you know, mask use is now optional. This is personal choice and our school community will treat your decision with respect. We do have a very limited amount of masks available for student use in the office, but once we run out, we will no longer be providing masks. However, we will continue to encourage students to handwash frequently, maintain social distancing when inside, and to stay home when sick.

Sincerely,

Shane Sliziak
Principal

Karina Zimmerman
Vice Principal

UPCOMING DATES

- Friday, April 8th-Class pictures and Grade 6 photos
- Friday, April 15th - Good Friday - NO SCHOOL
- Monday, April 18th - Easter Monday - NO SCHOOL
- Friday, April 22nd-Sunglasses day
- May 6th-May 7th-District Track and Field
- Friday, May 13th-Wacky Hair Day

DROP OFF AND PICK UP TIMES RESUME

As of today, April 4th, AME has gone back to regular drop off and pick up times. Students will need to be in class by 8:30 am and pick up no earlier than 2:23pm. Of course, if you need to arrange a different time due to an appointment, simply call our office to inform the school.

TWIN/TRIPLET/QUAD DAY AT AME

We had an incredibly successful Spirit Day this Friday. AME students coordinated with classmates to "match" clothes for the day. If they didn't have a partner(s) they could wear their AME Spirit wear.
