

## WHAT & WHO IS P.A.C.?

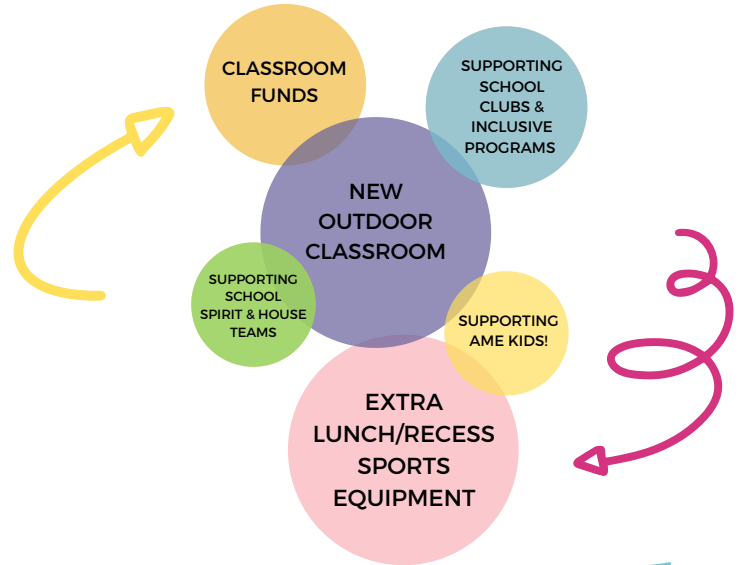

The answer: YOU!

Did you know if you have a registered child at Albert McMahon Elementary, you are already considered a PAC member?

Our goal as PAC is to enrich our children's education by becoming interactive parents, knowing the needs of students and staff, and engaging in areas where we can assist.

Welcome aboard! We're glad you're here!

## WHERE OUR MONEY GOES!

## WHEN DOES P.A.C. MEET?

We have monthly PAC meetings and are always looking for volunteers as many hands make light work. We are flexible and willing to accommodate as many as possible by having hybrid meetings consisting of in-person and virtual options.

Please consider spending some of your time with us. We promise you won't regret it!

## WHY FUNDRAISE?

The PAC is interested in providing exciting opportunities to complement our children's learning environment. We want to be sure that all our kids are getting not only what they need at school, but perhaps something extra also. A few of the initiatives of the PAC include a Hot Lunch Program, Popcorn Fridays, and recently providing recreational equipment for all students at recess and lunch!

## HOW CAN I GET INVOLVED?
