

ALBERT MCMAHON ELEMENTARY SCHOOL

PARENT ASSOCIATION COMMITTEE (PAC)

The PAC needs you. We are in search of parents who wish to be a part of their child's education.

What does the Parent Advisory Committee Do?

We raise funds and provide school programs that help to enhance the experience of students and parents. The fundraisers generate extra funds for computers, smart boards and projects such as the community garden and outdoor learning space, etc.

Some of our most popular programs provided by PAC volunteers are: The Home Reading Club with monthly prizes, a pizza lunch and pancake breakfast; Popcorn Friday's; and our Hot Lunch Program, offering lunches generally once a week.

What will it do for you?

Keep you informed. Gives you information on the programs run during and after school hours. Gives you the knowledge in your child's education and what they are learning. Volunteering your time gives you resources to help your children in their education. You get to know your child's teacher and Principal.

We can accommodate your schedule. We are looking for a wide variety of help. You tell us what you are able to do and we can find the perfect job for you. If you are able to help every month for 1 hour, one week only, one event, one position for 1 year we are in need of you.
